## EXPERIENCES

### Junior Software Developer (Intern)

Stamasoft Technologies

2021- Present

Software development was always in my mind. Back then, When I was in my 4th semester, I had to choose which platform I should pursue my development works - Mobile development or Web Development. I started my Android development course with Stamasoft Technologies. It was a wonderful experience working here. I learned many things about product development, R&D, Android widgets, and SDLC.
